

Malibu Winery Church Estate

Reminiscent of historical works of Monet or Renoir the nine acres of lush gardens and vineyards preface the extraordinary elegance of the 8,000 square foot French style Chateau that is the Malibu Luxury Church Estate.

The beauty and sheer magnificence of The Church Estate Vineyards has been, until this point, only been enjoyed privately. The Malibu Luxury Vacation Rental Estate and winery is now available as a luxury home rental to travelers. The estate is the ideal property and location for an once-in-a-lifetime event, wedding, reunion or luxury vacation.

Nestled on a hillside above the beaches of Malibu, the property boasts panoramic views of the plush landscape. In a class of its own, the Church Estate Vineyards is available as an all-inclusive luxury vacation rental perfect for weddings and events minutes from the beaches of Malibu and away from the city lights of Los Angeles.

The Church Estate Luxury Accommodations:

Below the Church Estate Vineyards and Winery, a clay tennis court echoes the French Open courts at Roland Garros. Inside, the chateaus rooms are furnished with French antiques, and each suite has its own panoramic view of the surrounding countryside.

The same attention to detail can be seen in the Church Estate's luxurious interiors. The French style luxury Chateau is furnished with French fabrics, 15th Century fireplaces, and antiques from around the world. A custom-designed wine cellar, floored with stone from first-century Cypress, houses the world's best wines. An exquisite professional kitchen can be used as a staging area for caterers, or as a sanctuary for guests who want to nurture their inner aspiring chef.
