Jet Luxury Resorts' Miami Expansion

High-end Resort Management Company increases its operations to include the most luxurious and coveted properties in Miami, Florida.

Jet Luxury Resorts, the premiere Resort Management Company that is fast transforming the condo hotel marketplace through a unique business model and evolution of thought, is currently expanding their operations and properties to include Miami, Florida. Jet Luxury Resorts is able to offer exclusive, luxurious yet affordable inventory to the rental community through honest, lucrative and dedicated service to condo hotel and fractional owners. The city of Miami, offering several 5 star condo-hotel and fractional resorts, is a natural fit for the burgeoning company.

Jet Luxury Resorts will soon be representing accommodations in multiple 5 Star properties in the Miami area. By providing a VIP stay within an already VIP property, Jet Luxury Resorts will continue to offer its innovative level of ultra luxurious, personalized service as well as providing the same high end, 4k digital resolution virtual tours for these new property additions.

Expanding on the Jet Luxury Resorts proven business model, Jet Luxury Resorts will also offer management services to owners of condo hotel inventory in the Setai, One Bal Harbour, Canyon Ranch, Fontainebleau and The W Hotel properties. Over the past eighteen months, Jet Luxury Resorts has energized the condo-hotel industry by bringing owners and renters together to work in the owner's best interests by providing greater income to the owners to offset their investment while simultaneously bringing high quality, yet affordable product to the marketplace. With its depth of high-end, exclusive inventory, Miami is the next logical step in the expansion of the growing company.

Richard Brosal, President of Jet Luxury Resorts states, "We were very impressed by the level of quality that exists in South Florida. Not only are there several 5 star properties that will fit our brand, but this is also a highly transient market, much like Las Vegas, where we have already proven our ability to succeed with strong rental revenue to owners and great accommodations to renters."

Locally, Jairo Fuentes, a talented Miami real estate professional will represent Jet Luxury Resorts. "We are very excited about the potential partnership with this great local contact," says Mr. Brosal. "Mr. Fuentes and his wife will be fantastic contacts for us as they will be able to provide owner registration and unparalleled customer service for us there on the ground."

Miami is the latest in a growing number of new markets that is a direct reflection of Jet Luxury's meteoric growth and success. Other properties recently added to the Jet Luxury Resorts collection include The St. Regis Aspen, The St. Regis New York, The Buena Vista Luxury Villas in Costa Rica and The Aspen Square Hotel and the Limelight Lodge in Aspen, Colorado.
