Jet Luxury Resorts, a premiere provider of 4 and 5 star properties, is proud to announce the newest addition to the Jet Luxury Resorts family, the prestigious Trump International Hotel Waikiki Beach Walk in Oahu, Hawaii. Jet Luxury Resorts continues to provide the finest in affordable luxury to their clientele and with the addition of this ultra high-end condo-hotel, Jet Luxury Resorts expands their operations on the island of Oahu in Hawaii.

The Trump Property, located just steps away from Waikiki's famous white sand beaches, soars thirty-eight stories high, features 462 luxury guest rooms and suites, an infinity pool on the 6th floor deck, The Spa at Trump, a state of the art fitness center and residential-like accommodations that include floor to ceiling windows, gourmet style kitchens and luxurious marble baths.

Guest accommodations provide a keen sense of place – drawn from a rich palette of Hawaiian influences, from early history to the 20th Century. Accommodations encompass close to one dozen room and suite categories providing options for couples, families and multi-generational travelers to choose from based on whether they are staying for a few days or several weeks. Spacious studios are ideal for individuals and couples, while one-, two- and three-bedroom suites, available with or without dens, can connect to adjoining units for larger parties. Penthouse accommodations offer the *pièce de resistance* of elegance. All units are exquisitely designed for comfort, functionality and visual appeal, and many feature full kitchens complete with Bosch, Sub-Zero and Wolf appliances.

Jet Luxury Resorts' mission is to provide the traveling community all forms of luxury and to do so at the most affordable prices possible. "This property will increase the Jet Luxury Resorts footprint in the Hawaiian market," says Richard Brosal, President of Jet Luxury Resorts. "Our goal is to provide the highest luxury accommodations possible at the best price possible for our rental community and we feel we have achieved this with the Trump Waikiki property."

The addition of the new Trump Waikiki property accompanies a well-established roster of 4 and 5 star resort accommodations such as the St. Regis NY, the Limelight Lodge Aspen and The Buena Vista Luxury Villas in Costa Rica. The notable addition of the Trump Waikiki brings not only more options of luxurious accommodations to the guest in Hawaii, but also peace of mind to Trump owners looking to solidify rental revenue.
