FOR IMMEDIATE RELEASE

Premiere International Five Star Estate Joins Jet Luxury Resorts

Latest addition to Premiere Resort Management Company widely viewed as one of the finest homes in the world today.

Jet Luxury Resorts is proud to announce the latest addition to their Estates Division, the breathtaking [Puerto Vallarta luxury vacation estate](#), *Casa Dos Estrellas*, located in Costa Careyes, Mexico. The acquisition of one of the most premiere and sought after vacation homes on the market today further defines Jet Luxury Resorts as the class leading International Resort Management Company worldwide.

[Casa Dos Estrellas](#), meaning "The House of Two Stars," is an environmentally conscious luxury vacation destination that combines European "savoir vivre" and sensuality with the beauty, luxury, climate and "alegria" of Mexico. A star-studded location that caters to high-end International visitors, the home was designed by architects Marco Aldaco, Diego Villasenor, Manolo Mestre and Jean Claude Galibert. The Mexican-Mediterranean style of the [Costa Careyes Villas](#) blends the modern look of the Luis Barragan School with the primitive thatch of palapa roofs. The property has been featured in Architectural Digest, Cote Sur, House and Garden, and Alti Publishing's book Houses of the Pacific.

The [Costa Careyes vacation estate](#) resembles a boutique [five star resort](#) boasting 6 unobstructed Pacific Ocean view bedrooms, each with their own rooftop sun deck and spacious bedrooms with walk in closets. The centerpiece of the property offers a stunning view from its large 80x40' infinity pool and 12 person spa. A fully equipped gym, WIFI internet throughout, fax machine, cell phone service, ping-pong table, three kayaks, Bocce court, library and media room with a 50" plasma television offering American satellite service round out the list of impressive resort-like amenities.

The [luxury estate](#) also has a private beach with stairway for easy access. Tamarindo, one of the world's most exclusive and beautiful golf courses is just 40 minutes away, while tennis and fine dining exist five minutes from the home at the [Hotel Careyes](#).

The area of Costa Careyes, Mexico is part of Costa Alegre and the State of Jalisco, which is the third richest state in Mexico. As such, the area is one of the safest and most beautiful to visit in Mexico, offering over 100 miles of virtually undeveloped coastline guarded by stringent development rules.

Jet Luxury Resorts, a premiere Resort Management Company, has fast become the leading provider to condo-hotel, fractional and estate owners on both a national and international platform through its successful generation of lucrative, high-end rental revenue as well as by its professional resort management. This latest addition to its [luxury estates](#) roster only adds to the company's success and growth in the marketplace. Steve Aylsworth, CEO of Jet Luxury Resorts says, "We are proud to add this stunning as well as unique Estate to our collection. This Estate exemplifies the [luxury](#), status and 5 star accommodations that we strive to provide all of our guests through our pristine collection of resorts."

Properties recently added to the Jet Luxury Resorts collection include the [Vdara](#) Hotel and Spa at CityCenter in Las Vegas, the [Trump SoHo](#) NY, the [Trump Waikiki](#) in Hawaii, [Kalia Modern Eco-Living](#) in Costa Rica, [JK Place](#) Hotels in Italy and The [Setai](#) in Miami Beach, Florida. For more information on the *Casa Dos Estrellas* estate, visit our website.
