## Jet Luxury Resorts Launches Prestigious Estates Division

*High-End Premiere Resort Management Company to offer ultra luxurious, exclusive residential estates in addition to their established roster of 4 and 5 star resorts.*

Jet Luxury Resorts, a premiere provider of 4 and 5 star properties, is proud to announce the launch of their new JLR Estates Division. Jet Luxury Resorts continues to provide the finest in affordable luxury to their clientele. With this added Estates Division, Jet Luxury Resorts will be able to provide all options to their guest, from High-end Luxury Hotel accommodation worldwide to estates where an entire family can stay together.

Jet Luxury Resorts' mission is to provide the traveling community all forms of luxury and to do so at the most affordable prices possible. "We are very excited about our growth into this market," states Steve Aylsworth, COO of Jet Luxury Resorts. "Our purpose is to provide the best in affordable luxury to our guests and the implementation of the estate division will add to the variety of accommodations we can provide our guest - matching our properties with their specific needs."

Accompanying the launch of their new division, Jet Luxury Resorts recently produced an engaging viral commercial and a high-resolution 4k digital virtual tour of their inaugural property in Malibu, California.

The property, located within the prestigious Pt. Dume Rivera section of Malibu, sits on over an acre of oceanfront land and has been featured in numerous media outlets (including the hit ABC show "The Bachelor" and "Fantasy Open House" on Home and Garden Television.) It has been described as one of the most desirable ocean front estates in the world. The home, designed by renowned architect Carl Volante, features a tennis court, two guest homes, a wine cellar, a pool and spa with waterfalls overlooking the ocean and a private staircase to the sand.

The addition of the new JLR Estates division accompanies a well-established roster of 4 and 5 star resort accommodations such as the St. Regis NY, the Limelight Lodge Aspen and The Buena Vista Luxury Villas in Costa Rica. The notable addition of the new JLR Estates Division brings not only more options of luxurious accommodations to the guest, but also peace of mind to estate owners looking to solidify rental revenue.
