FOR IMMEDIATE RELEASE

## **“Hottest” New Hotel Destination Joins Jet Luxury Resorts**

*One of Conde Nast’s hottest new resorts of 2010, the recently opened Los Angeles oceanfront Terranea Resort joins upstart International Resort Management Company.*

Continuing its unprecedented industry-leading resort management and reservation expansion, Jet Luxury Resorts has added the award-winning new luxury hotel, [Terranea Resort](#) in partnership with Destination Hotels and Resorts, to its established roster of 4 and 5 star destinations. This marks the seventh such acquisition for the premiere International Resort Management Company this year alone, coming on the heels of the [Trump SoHo](#) NY, the [Trump Waikiki](#) and the [Vdara Hotel](#) and Spa Las Vegas. The move sets a new milestone for what most consider to be the class leader in the industry. Since January, Jet Luxury Resorts has entered 7 new markets worldwide.

[Terranea Resort](#) was recently named one of the hottest hotels in the world by *Conde Nast Traveler* magazine. In addition to inclusion in the magazine’s prestigious annual “Hot List,” the Resort’s elaborate spa, The Spa at Terranea, was also honored, being named to the *Spa Hot List*. [Terranea](#) was one of only 26 hotels honored in the United States, and one of only 11 spas so named. Located on the Rancho Palos Verdes bluffs overlooking the Pacific Ocean in Southern California, the Terranea Resort boasts a 582-room property including a 360-room hotel with 32 suites and 20 bungalows. Also available are 50 oceanfront casitas and 32 ocean view villas tailored specifically to individuals looking for a more residential setting.

Resort amenities include The Links at Terranea, a 9-hole par 3 golf course, and three unique swimming pools, one with a children’s play area and a 140-foot waterslide. Three ocean view restaurants offer a variety of food and beverage experiences including Catalina Kitchen for casual, all-day dining, Mar’sel, the freestanding signature restaurant, and Nelson’s, a cliff-side restaurant and bar with spectacular vantage points for whale watching. Designed to reveal the Resort’s dramatic outdoor vistas, Terranea’s conference and meeting facilities include 135,000 square feet of indoor and outdoor meeting and event space. Other amenities include a children’s center with interactive programs and several miles of scenic bluff-top trails that connect miles of off-property coastal

trails. A secluded beach cove also adds to the unique experiences at [Terranea Resort](#).

The Spa at Terranea is a unique 50,000 square-foot facility that includes 25 luxury treatment rooms, 3 suites, separate indoor/outdoor lounge retreats for men and women, lush garden areas with cozy fire pits, an oceanfront lap pool, a 5,000 square-foot Fitness and Wellness Center and a full-service salon and Spa Café.

Jet Luxury Resorts, the premiere Resort Management Company, has fast become the leading provider to condo-hotel, fractional and estate owners on both a national and international platform through its successful generation of lucrative, high-end rental revenue as well as by its professional resort management. Richard Brosal, President of Jet Luxury Resorts, says of this newest acquisition, “We are honored and delighted to be partnering with this prestigious property as we can now service our domestic and international clientele in the Los Angeles market. The [Terranea](#) Resort is a great fit for our Jet [Luxury](#) Resorts portfolio in that it provides large, luxurious, oceanfront suites which our guests have come to appreciate and expect.”

From New York to Los Angeles, to Costa Rica and Puerto Vallarta, Jet Luxury Resorts continues to add prestigious, luxurious accommodation to its roster. Terranea Resort follows the breathtaking [Puerto Vallarta luxury vacation estate](#), *Casa Dos Estrellas*, the Trump Waikiki, the Trump SoHo NY, the Vdara Hotel and Spa Las Vegas, the [Setai](#) in Miami Beach and the Kalia Modern Eco-Living Estates in Costa Rica. These notable, 4 and 5 star additions are not only a testament to the future of the trend but also to Jet Luxury’s placement therein.
